

## Ray & Dee Stegeman's latest news – November 2016

Ray is getting ready to leave Ukarumpa, after finishing the three courses he went to teach. Here is a picture of (almost) all the participants and mentors and teachers for the Discover Your Language Course. The participants still have a test to take and a presentation to give, but it seems to have ended up being a great success! Praise to God!

This is one of the prettier times of the year in Ukarumpa - when the Jacaranda trees are in bloom. They are an iridescent blue color. The picture doesn't quite do it justice.

Thanks for your prayers concerning housing for us in Ft. Collins. The Lord has provided a mobile home for us to rent via a friend we met in Dallas when our children were small. Dee will move in on November 1. God, as always, is faithful and His timing is perfect. A picture and more info will follow in our next communication to you - the Stegema**Noe**Letter. :-)

Grace and Peace to you - and don't forget to vote!

Ray & Dee Stegeman
