

A heart-felt thanks from Ray & Dee Stegeman (Jan 2019)

Get it?

Dear friends at Pleasant View Church,

We just received our December statement from Wycliffe and are so grateful for your gifts of the last few months. We're grateful for your prayers, too, as we shine Christ to those He puts in our paths here in Papua New Guinea. Thanks! (James 5:16b)

We enjoyed the Center closure here for two weeks over Christmas and New Year's. Lots of fun celebrating with friends and colleagues. Now, we're back to work - me with Linguistics (supporting Bible translation) and Dee with the MK school. We assume you enjoyed time with your family, church-family and friends for the holy-days. :)

Speaking of family, my parents, in Florida, recently welcomed their 10th great-grandchild into the world – lots of grandchildren live nearby, which is a huge blessing, and my sister and her husband, in Michigan, are also looking to move south. Life for them is rich. We miss time with them, as you can imagine, especially around this time of year.

Thanks, again, for being the wind beneath our wings! We thank God for you! We enjoy getting your news by email. Please let us know how we can be praying more specifically for you.

With love from,

Ray (& Dee)
